Dear Mr. Geary:

We were very pleased to receive your fine, accurate letter concerning our programs on New Year's Day. I have checked your logging and find that it corresponds with our own log from 7:00-7:30, January 1, 1944.

We were quite surprised to know that we could be heard so far away and hope that you will be able to get us again and often.

Thank you very much for writing such a detailed report.

Sincerely yours
