Kermit Geary  
RFD #2  
Walnutport, Penn.

Dear Kermit;

It was a great pleasure to receive your report of our station Feb.20, 1951 and also a great pleasure to read such a fine report. I'm sending you a verification like you wanted and hope this will do. Very fine business on your receiver and the write up on our signal.

73's and Thanks;

A handwritten signature in blue ink that reads 'Gerald Gray'.
