Dear Mr Geary:

Thank you for your letter telling ~~of~~ picking  
up our frequency check last week.

Yes, our log agrees with your log for us.  
We operate on 1570 at 250 watts, daytime.  
In the same mail that brought your letter  
we also got one from Bill Stone, Stouff-  
ville, Ontario. Our little 250-er  
really got out that.nite.

Again, thank you.

Sincerely

Mrs Willa M Schnepf  
Chief Engineer
