Dear Kermit:

Thank you very much, Kermit for your complete letter describing our frequency check and equipment test (Sept. 24, 1951 - 156 to 226 AM central Standard time.

Your surely deserve a confirmation report from us after you sending all that detailed information to us. We hope that in the future you will "keep us informed" on all our DX xmissions you happen to hear.

Your DX report coincided with ours in every respect we certainly do appreciate your interest. Heres hoping that we hear from you again.

Respectfully yours,

Ed Healy
