this letter verifies your reception of Radio Station WCND - AM on March 8, 1971 from 1:55 AM. to 2:05 AM. At the time you picked up our station we were operating at 250 Watts at 940 Kc. on the dial.

I am sorry I have not answered sooner. Our old logs have been thrown away. That was I on the air March 8, 1971 on the air for testing and Equipment Tests. I have a National Model 183 communication receiver.

I went to work for WCND as chief engineer March 1964. WCND went on the air June 4, 1964. I am ~~8288~~ the only chief engineer the station has had. I have been in Broadcast radio since 1950.

Yours - Davis Wilson Shouse
