Dear Sir:

I am happy to report to you that the reception report of our station on the morning of December 23, 1957 from 4:30 to 5:00 AM C.D.S.T. was correct in ever detail.

I am also glad that we did get such a sharp signal up your way. I would like to inform you that we did get coast to coast coverage with this test and also received reports from Canada and New ZEALAND

Enclosed is something to remind you of that morning.
