

Hopkinsville, Ky.
September, 4, 1954

Dear Kermit,

This card verifies your reception of WKOA on September 1, 1954. Your report was an excellent one and your "log" quite accurate. I think yours is the second report we've had from Pennsylvania.

WKOA is using Gates equipment throughout, the transmitter being their BC-1F (1-KW) shunt-feeding a 150' tower. Our operation will be daytime, non-directional.

Thanks for the fine report, Kermit.

Walter B. Wilson
Chief Engineer, WKOA
