Dear Sir:

We conducted a frequency test on WTKY, 1370, and WTKY-FM, 92.1, February first. WTKY was modulated with a four hundred fifty cycle tone. WTKY-FM was unmodulated except for the sign-on and sign-off announcements which were done simultaneously. Our logs indicate broadcast time was from three forty-five until four o'clock. Your report is correct.

Sincerely,

J. K. Whittimore
