Mr. Kermit Geary
R.D. 2 Box 298
Walnutport, Penna.

Dear Mr. Geary:

This is to confirm your letter of October 21, 1957 in which you stated hearing our frequency check.

Your information is correct, including that code word was "Ike" instead of "Item" or "Ida". This difference is due to different engineers making these frequency checks.

Thank you very much for your letter.

Sincerely,

James L. Egbert
Chief Engineer
