Dear Kermit -

This is to confirm  
your SWL report of  
WPOE March 7 6:01 - 6:05 AM  
1981 - We are a directional  
(due East) 10 KW (Class II D)  
AM Broadcast Station, and  
So your hearing us under WKBW  
is quite a feat, since you would  
be in one of our deepest nulls -

Sincerely Yours

Jim Heringway, Chief Engineer
