Dear Mr. Geary:

Your very fine report of our January 18th. test transmission, is verified by our operating log. The items listed as broadcast between 4:30 AM and 5:00 AM E.S.T. are all correct. Out of about 20 reports recieved to date; the farthest was from Len Kruse, 816 Euclid Street, Dubuque, Iowa; 2 were from the Chicago area, one from Proctorville, Ohio; several from Pennsylvania. We might have recieved some from west of Iowa except XESM in Mexizo, with 5000 Watts was operating on 1470 K.C.

Sincerely,

Kenneth H. Rockwell
Chief Engineer
