Dear Mr Geary,

Sorry it has taken so long to answer your letter but WJRO  
Just went on the air when I recieved your letter and things  
have been busy around here.

Your date does match up with what we had on the air  
on October 4, 1981. Glad you could get us up your way. WARK  
Akron Ohio causes us nighttime interference to our west only  
five miles from the station to the point it is not listenable.  
Thank you for writting.
