

## **ENGINEERING MEMO**

---

DATE: January 3, 1997

TO: Mr. Kermit Geary

FR: Edwin Bukont / Chief Engineer 

RE: Your reception report of November 30, 1996

This is to confirm your reception of WXTR-AM, 820kHz, Frederick, Maryland on 11/30/96. WXTR uses a Nautel AmpFet-5 solid state transmitter into a two-tower array. Power at the time you monitored was 4,300 watts.

Thank You
