Dear Sir:

This letter is to verify your report of loggin this Station on October 1, 1955, between the hours of 0330 0354.

Your report is in full agreement with this Station log except that tone modulation was of a frequency of 400 cycles.

I wish to thank you very much for your report as I am somewhat amazed to find that my 100 watts would get out that far to you.

W.B.F.C. went on the air with program on March 16, 1955, full time. We are located in Fremont, Michigan in Newaygo County, located in the Muskegon River Valley. This area is supported mainly by Farm and Dairy Products which of course supports our main manufacturing and food processing plant "GERBER BABY FOODS".

Fremont is known as the World's Baby Food Capital thus the Call Sign W.B.F.C.

Thanks again for your report and my apologies for the delay in verifying.

Yours truly

Ivan L. Homan "Van"
Chief Engineer
