

February 29, 1956

Mr. Kermit Geary
R. D. 2, Box 298
Walnutport, Pa.

Dear Sir,

The purpose of this letter is to verify your excellent report of reception of our station during the broadcast of February 13, 1956.

Thanks for the big long letter and I'm sorry I can't at the present answer it in like form. I am going to be extremely busy as tonite is the last night that this station will be on the air. We are closing it down for lack of funds and I am on the loose for a position. I hope to build a new station in the near future. I hate board shifts etc. I would rather build than eat, so I suppose with the bosses help, I'll be constructing again soon. When I get another station, I'll contact the NRC and we ll have another.

Thanks again for your letter and the best of luck in future DXing.

Sincerely,

Richard F. Deitz
