Dear Mr. Geary:

Here is your letter of verification from KDLM Detroit Lakes, Minn. I want to thank you very much for the nice letter you sent and the signal report which you included. We have had quite a few letters since we first went on the air with equipment tests, however I think yours is by far the best I have had the opportunity to read. We went on with program tests on the 1st of Oct. and have had quite a few nice comments.

The equipment here is all made by Gates Radio Co. We are running 1000 watts daytime.

Once again I would like to thank you for your report and your interest in radio.

very truly yours,

S. D. Rasmussen
