

STATION
KROX

*The Voice of
Agriculture*

Owned and Operated By

CROOKSTON BROADCASTING COMPANY

Crookston, Minnesota

April 29, 1948

Dear Mr. Geary,

This will confirm the fact that you received our signals on April 19th from 2:16 to 2:32AM CST.

A report from Penna. is most gratifying to us. As with other new stations we are anxious as to wheather on not we are getting out with our new transmitter. The transmitter by the way is a Rayhteon 1000 watt job using a 220 foot vertical antenna.

I hope that you may be able to hear us again some time.

Thank you and good listèning,

William J. Kiewel
Chief Engineer
