Dear Sir:

We are in receipt of your very kind DX letter and this will serve as a verification that you did hear our signal on the morning of June 4, 1946.

I have checked back on our program log for that particular date and find that your identifications are all correct. We went on the air for the first time with our regular broadcast schedule Thursday morning, June 7, at 9:00 AM.

Thanking you again for your very kind letter and sincerely hoping you do hear us again in the future, I remain

Very sincerely yours,
