(over)

Dear Mr. Geary

I certainly appreciate your fine report of reception of our station last Friday morning. Thanks a lot for the technical data, which I found very complete. Your program log corresponded very closely with the log ~~was~~ here.

We are planning a Special Program for the many DX ~~listeners~~ listeners, on the morning of January 10, 1946. Our plans are to start the program at 1:00 am and it will be continued until about 3:00 am CST. I certainly hope you will have just as good luck in picking that program up as you had last Friday morning. I would appreciate your letting me know if and how you do receive the program, at that time. Respectfully,

C.H. Dyess
Chief Engineer
