Dear Sir:

Thank you very much for your most interesting letter of reception of our radio station W.D.D.T.

Since our Chief Engineer left our station, we have had only a part time engineer, therefore I am in charge of answering all letters of reception that we receive. I am the Traffic Manager here at the station. Since I have access to the program logs, I will be able to verify your report only to the extent of comparing the advertisements on my logs on the day that you picked us up. I hope this will be a satisfactory confirmation to you.

Thank you for your best wishes to our station and personnel. We hope that you will have the pleasure of picking us up again in the near future and that you will read us loud and clear.

Sincerely yours,

(Miss) Mary Ann Rennick  
Traffic Manager  
Radio Station W.D.D.T.
