Dear Mr. Geary:

Thank you very much for your letter of December 8 requesting confirmation of the reception of our station on Sunday December 8, 1957 during our sign-on hour until 5:55 AM CST.

The information you have stated in your letter is true and correct, according to our station log. We are certainly happy that you were able to pick up our station at such a distance, as we have previously had difficulties in our transmitting equipment.

Great big thanks, also, for the compliment on McComb's being the friendly city that you remember in June of 1956. The occasion at that time was our annual "Hospitality Day" which is observed throughout the state during the month of June. Incidentally, McComb won the first prize that year as the friendliest city in the state.

A very Happy Holiday Season for you and your family!

Sincerely,

*Carroll Hines*
