Dr. Paul E. Freed, Ph.D., President
 Dr. Ralph Freed, D.D., General Director

Trans World Radio
 U.S. Headquarters
 Chatham, New Jersey
 Radio Stations:
 Monte-Carlo, Monaco
 Bonaire, Netherlands Antilles

*Thank you for the material
 stamp.*

Panoramic view of Trans World Radio's transmitter and diesel generator buildings flanked by the short wave antenna fields, as seen from the top of the 760 foot (233 meters) medium wave antenna.

Trans World Radio owns and operates a radio complex which includes seven short wave corner reflector and curtain antenna installations along with a 260 kw and a 50 kw short wave transmitter. A 500 kw medium wave transmitter feeds into a 760 foot medium wave tower.

Trans World Radio is an interdenominational, non-profit corporation dedicated to broadcasting the Gospel of our Lord and Saviour Jesus Christ from Monte-Carlo and Bonaire. Trans World Radio is on the air daily from Monte-Carlo and Bonaire with broadcasts in 25 languages.

Jeanne Olsen

Many thanks for your report of *Sept 13, 1964*

You have been listening to the super-power voice of Trans World Radio broadcasting from colorful Bonaire, in the sparkling blue Caribbean.
