R.F.D. No. 2
Walnutport, Pennsylvania

Dear Mr. Geary:

Thank you for your letter of January 26 in which you report reception of our station. We appreciate especially the technical data which you gave. We enclose herewith our verification card.

Also enclosed is a program schedule, which although rather old, is the last edition in print at the present. However, the programs are essentially the same, so that it will serve as a guide in that respect.

Thank you again for your interest, and we shall be glad to hear from you at any time.

Sincerely yours,

W. Dayton Roberts
