Dear friend:

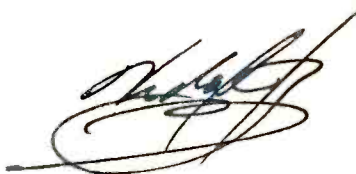

We appreciate very much your report of February 24th., which we did not answer before, due to that we have been very busy during these days.

Your report was correct in all terms.

Our next program will be on Sunday April 5th., 1936. We will dedicate from 1 to 2 am to those who have already reported our programs.

We will commence at 12:01 and close at 3 am. Will you be with us again?

Yours very truly,
