Dear Mr. Geary:

Thank you for your letter dated January 2, 1962 reporting our broadcast station on our audition for New Year. You will excuse the delay in answering your letter, but our reason for not writing sooner was the fact that we were awaiting our banners in order to be able to send you one.

From our letterhead you will note our signals, though recently we changed our broadcast frequency to 1185 kcs. We are planning an increase of power for the future; possibly around the end of this year.

Enclosed is our banner which we trust you will keep as a remembrance of your Honduras friends of LA VOZ DE CENTRO AMERICA - HRVW-HRWW.

Again thank you for writing us and we hope to hear from you again.

Very truly yours,

LA VOZ DE CENTRO AMERICA
