Mr. Kermit Geary
R. F. D.No. 2
WALNUTPORT, Pa.

Dear Mr. Geary:

This is to thank you for your very excellent report
on reception of XEDM.

We have been on the air 30 days, and when you heard us
on Dec. 19th., we were still undergoing serious set backs
with our diesel generating equipment. I hope that by now
we have improved slightly our signal --- and hope to
be able to raise our power by the middle of Feb.

As yet, we do not have verification cards of any kind,
but if you find time to give us another report, as ample
as the one that you have given us, I promise to send you
a picture of some sort of the installation or the town
or something.

Again, I sincerely appreciate your report, and shall be
looking forward for another one at your convenience.

I am very truly yours,

Ing. C. V. Rodriguez
Chief Engr.
