Mr, Kermit Geary,

U. S. A.

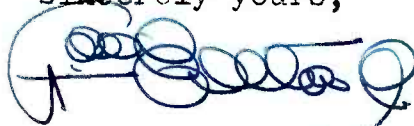

Dear Mr. Geary:

It is with pleasure that I answer your kind report of December 29th in which you establish having heard our programs on the broadcast frequency of 605 Kcs.

Having checked our programming against your report, and finding it in perfect order, I am glad to certify that you have, indeed, received our signal clear enough to have provided us with a most detailed and complete report.

Hoping to have the pleasure of your visit in the near future, I take this opportunity to wish you and yours a Happy 1955.

Sincerely yours,
