Dear Sir:

You will please pardon us for the delay in answering your letter of Nov. 24, 1939, but have just received it.

Your log is correct and perfectly checked. These stations are of 300 watts each, so we do consider your compliment most flattering in regards to wattage.

We are broadcasting a special DX program Jan. 28 from 3 A.M. E.S.T. to 4 A.M. So please be our guest then, and let us know how reception is.

Thanks again for listening and your log.

Very truly yours,

José Jaén J. y Cia. Ltda.

P. S. We hope that you already have received our verification card.
