We are using a Gates Model BC-250-GY Transmitter with a Marconi type, non-directional antenna 1000 feet long and 150 feet high. Hope to have an increase in output in the near future, then we can have bigger and better DX.

We again wish to express our sincere thanks for your DX report and hope to hear from you again.

Season's Greetings from all the gang down here.

Sincerely Yours,

*Alfred H. Affolter*
