Dear Sir:

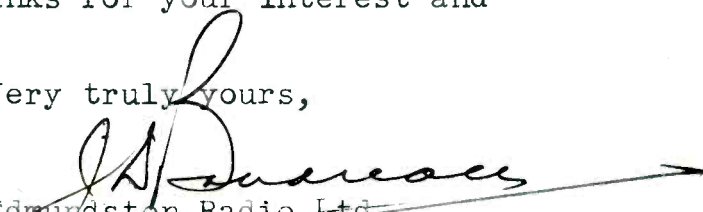

Acknowledging yours of April
26th. Re: March 19th. D.X. program.

Sorry the acknowledging card
did not specify confirmation or varifi-
cation of reception.

Yours of April 26th., however,
definitely checks with our log and does
not leave a shadow of a doubt as to the
station being CJEM.

Thanks for your interest and
good wishes.

Very truly yours,
