Dear Sir:

Thank you for your letter of January 19th in which you state you heard my frequency check from 5:15-5:30 A. M. on that date.

The information you gave in your letter checked with our station log. I am placing your letter on file as I am collecting frequency checks and I prize yours among them.

Here's wishing you the best of luck in the radio field, and again thanks for your letter.

May we have the pleasure of hearing from you again?

Yours very truly,

RADIO STATION WATA
