Hi Kermit-

Received your letter ^{of 1-6-88} and appreciate
the findings and report. I called my
engineer and informed him. Very pleased.
Only problem with your record of our log.
We do not, and did not, ~~air~~ air the
"Piedmont Racing report." CHRISTIE, my
AFTERNOON GIRL, ACKNOWLEDGES ACCURACY except
for the above element, must have had
interference at that point with fake.

Again - Thank You. Regards -
