Dear Mr. Geary,

This is to confirm your report of hearing WIST 1480 AM on the morning of February 5, 1996.

WIST at that time is playing a satellite feed from Dallas, Texas at that time (ABC/SMN/Stardust) and the programming is heard on many affiliates throughout the country. You were most definitely tuned to WIST however as you described much of our local insertions.

Thanks for making to effort to tune in WIST!

Cordially,

Scott Scarbrough  
Operations Manager
