Gil Couch ASSISTANT
Chief ENGINEER

Dear Keenit,

I AM chief engineer AT WJOS AM 1540
IN ELKIN. I WAS pleased to receive your
DX for WJOS on Nov. 17, 1983 AT 5:08pm.
THIS is to confirm that your reception
corresponds perfectly with our program
log for that day AND time.

THANKS for the complement on signal
STRENGTH AND quality. We INCORPORATE A HARRIS
BC-1G TRANSMITTER AND work very hard to
keep it A peak efficiency. Our power was
INDEED 500 watts during CRITICAL hours.
OUR READINGS AT THIS time were, PLATE VOLTAGE
1700, IP MA's .380, ANTENNAE CURRENT 2.45 ma

I HOPE TO HEAR from you SOON AGAIN,
Good luck! Good listening!

Gil Couch
