WOOZ AM

P. O. BOX 958 WHITEVILLE, N. C. 28472

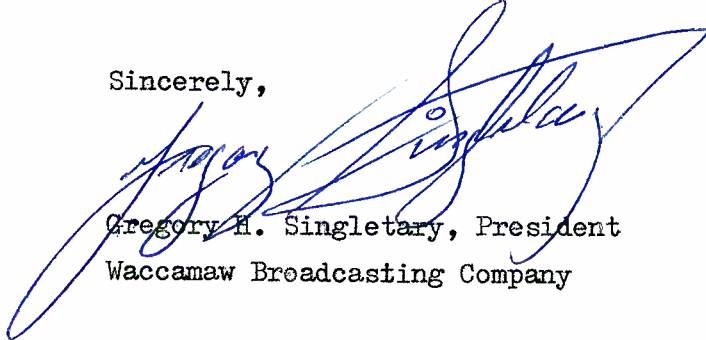

November 3, 1977

Dear Kermit,

It was with pleasure that I read of your reception of our signal in Pennsylvania. The log you supplied is correct as stated.

WOOZ is a relatively new station having signed on January 1, 1977. We have been logged by several NRC members, but I believe you are about the most distant to receive us.

Sincerely,

Gregory H. Singletary, President
Waccamaw Broadcasting Company
