JAMES R. (JIM) WILKIE
CHIEF ENGINEER WRNB
NEW BERN, N.C.

DEAR KERMIT,

WE RECEIVED YOUR LETTER THE OTHER DAY AND I AM SORRY FOR NOT GETTING IT OFF TO YOU SOONER, THE ANSWER THAT IS.

WE WERE ON THE AIR AT THE TIME THAT YOU HEARD US AND I WISH WE HAD SOME QSL CARDS PRINTED UP, BUT AM STILL WORKING ON THAT. I AM A HAM AND CAN APPRECIATE YOUR FEELING FOR DX AND THE LIKE, WE DONT GET VERY MANY REQUESTS FOR CARDS OR VERIFICATIONS SO VERY NICE TO GET YOURS.

THE PROGRAM LOG VERIFYS THE GENERAL WHOLESALE AND BUILDING SUPPLY CO. SPOTS SO I GUESS YOU DID GET THIS PEA-NUT WHISTLE AT TIMES. WE ARE ONLY RUNNING 250 WATTS OUTPUT AT PREASNT, BUT HOPE TO INCREASE SHORTLY TO A K.W.

THE NIGHT YOU WERE REFERING TO WAS PRETTY MILD, THAT IS COMPARED WITH THE ONE THAT FOLLOWED. MY EMERGENCY GENERATOR WENT OUT RIGHT IN THE MIDDLE OF HELENE AND WE WERE WITHOUT POWER FOR QUITE A WHILE, BUT FINALLY GOT BACK ON.

WELL I HAVE GROVES OF THINGS TO DO, IT WAS VERY NICE TO HEAR FROM YOU AND SURE HOPE YOU WILL CONTINUE TO WRITE, ITS ALWAYS NICE TO HEAR FROM PERSONS INTERESTED IN THE RADIO GAME.

YOURS TRULY,
James R. Wilkie
