Shalotsport, PA.
18088

Dear Mr. Gray:

I am very pleased to confirm your reception of WYNC on October 14, 1982. Your records of our programming is correct and your report of the power and efficiency of our transmitting equipment is very favorable.

At the present WYNC is transmitting at 1000 watts, though we have our license to increase to 2500 watts.

Sincerely,
Kanda D. McGuire
