Walnutport, Pa.

Dear Mr. Geary:

I was very much pleased to receive your letter and F.B. report. Thank you very much.

Borrowing some unforeseen difficulty, we shall broadcast a program March 7.

The test that you heard, was to get our remote equipment more closely adjusted to our studio equipment.

Good luck to you in your future membership in the N.R.C.

Very truly yours,

Alvin Peters
Chief Engineer KOGA
