March 23, 1981

Dear Kermit Geary  
R.D. 4 Box 321  
Walnutport, Pa 18088

We are happy to verify your correct reception report of Radio Station WKBB, Keene, N.H., on March 16, 1981.

WKBB conducted the special equipment reception tests at the request of the National Radio Club.

We operate daytime using a Harris MW-1A solid-state 1000 watt transmitter and a 170 foot non-directional antenna. Authorized presunrise power is 500 watts.

Thank you for your reception report and for this opportunity for our station to obtain coverage information.

73's

A handwritten signature in cursive script, appearing to read 'L. Collins'.
