Dear Sir:

We wish to confirm your report of our station for May 22, 1950. at 12:16 A.M. until 12:25 A.M. Sorry our reply has been so long delayed, but we have received many more reports than we had expected.

The station is located in the community center of Los Alamos. The transmitter is an RCA BTA-250L driving a 152 foot self-supporting tower located in a small park.

Thanks for your report and to you the best in DX.

John Featherston  
Chief Engineer, KRSN
