Dear Sir:-

Thank you for your letter of reception of CHER Radio  
on November 20th, 1967.

The programming you mentioned was broadcast during the  
time period you indicated.

CHER Radio is a relatively new station, having been on  
the air since December 1965. We play mainly middle-  
of-the-road music.

The power output is 10,000 watts and we employ a direct-  
ional pattern which is beamed towards Northern Europe.

I hope you find the above satisfactory and good luck with  
your DX-ing.

Yours sincerely,

Norman Robar  
Chief Engineer
