

COLUMBIA BROADCASTING SYSTEM, INC.

485 MADISON AVENUE, NEW YORK

WICKERSHAM 2-2000

OFFICE OF THE
DIRECTOR OF ENGINEERING
E. K. COHAN

November 3, 1941

Dear Mr. Geary:

This will acknowledge with thanks your letter of October 17 and will verify your reception of our test program from the new WABC transmitter on Columbia Island in Long Island Sound.

We are now in regular program operation with this new transmitter and we trust you are continuing to receive good reception from the station.

Thank you for your good wishes.

Sincerely yours,

A handwritten signature in green ink, reading "E. K. Cohan". The signature is fluid and cursive, with a large loop at the end.

Mr. Kermit Geary
