73's FROM W2UHF - W2OZN - W2QJN - W2SWN - W2TOF AND THE GANG

Dear Sir

Just received your very  
fine letter regarding  
our signals at your location  
- I have checked your reports  
against our log and find  
that they coincide perfectly  
and I'm very grateful for the  
data which you gave.

We are still having antennae  
problems and evidently your  
first letter became overlooked  
for which I'm very sorry.  
Thanks again for the fine report  
G. S. Woods
