Dear Mr. Geary,

I'm always tickled to have a reception report from a faithful DX'er far beyond the normal limits of our coverage! Maybe someday I can join your ranks and make DX'ing my hobby too.

Please let this letter be your confirmation of reception on Sunday, March 28, 1982 as our AM facility WSIV/1540 was signing off the air.

Thanks for letting us know,

Matthew L. Burt
