Mr. Kermit Geary
R.D. 2 Box 298
Walnutport, PA 18088

Dear Sir:

Thank you very much for your time and trouble to write us and let us know what kind of signal we deliver in your area.

At present, we are running 10,000 watts to a 5/8 wave length tower. We have been experimenting with new antennas.

Thanks again,

A handwritten signature in blue ink that reads 'Wayne Wicks'. The signature is written in a cursive style and is positioned above the typed name.

Wayne Wicks

Chief Engineer
