

WXRL "THE VOICE OF MODERN COUNTRY MUSIC
5360 William Street
Lancaster, New York 14086

Dear Kermit :

This is to verify your reception of our station, WXRL, on 2/28/79
at 4:25 P.M..

WXRL operates at 1300 Kh with a power output of 1,000 watts daytime and
500 watts pre-sunrise. Our antenna pattern is a directional figure eight
with the main lobe in a northwest direction.

Sincerely,

~~Robert A. Stone~~
Chief Engineer
Dennis Kavanaugh
