Dear Mr. Geary;

Thank you for your interesting letter of March 25th in which you report details of reception of "W9". The purpose of my reply is to acknowledge your reception for your records. We were quite surprised to hear of your picking us up 310 miles away, ...although, back in December, we received a similiar note from a listener in Long Island, New York.

The only discrepancy in your letter is the reference to a woman giving the stock market report at around 6:20 PM. We have no such program. Our afternoon stock market report is aired at 4:45 PM and it is done by a male announcer. Perhaps another station over-rode at that point.

Again, thanks for your comments.

Sincerely,

Donald C. Keyes
President and General Manager
