Dear Sir:

You may accept this letter as verification of having logged KTOW, 800 kcs., from 2:00 A.M. to 4:00 A.M., CST, January 24, 1955. Your log is of sufficient accuracy to indicate that our signals were readable. KTOW transmits with a power of 250 watts from a quarter wave vertical antenna, 265 feet high, located at Reno and Eastern Avenue in Oklahoma City. Your report is appreciated and we would be pleased to hear from you again in the future.

Sincerely,

Thomas F. Lindsey
