Dear Sir;

Your DX report of our Dec. 20th broadcast was received with pleasure and thanks! Please consider this letter as verification of your reception of our signal.

Normally our sign on is at 5.53 A.M. and our sign off is at 1.10 A.M.

The format in use at this station is middle of the road music with news on the half hour.

Enclosed is a copy of our radiation pattern using sixty degree vertical radiators oriented for stein degree east of north series fed from a Gates 6010 operating day and night at one kilowatt.

Our night pattern is the same as our day pattern and for the morning of the DX test no changes in our power or pattern were made.

Thanking you for your interest and co-operation I remain

Yours for better listening,
