Dear Mr. Geary:

This will verify your report dated October 19th, concerning your reception of WCPA on both December 28th, 1947 and October 19th, 1948.

I am ~~so~~ sorry about your failure to get a verification on your report of our initial broadcast. We were deluged with nearly 3,000 letters within a couple of days after going on the air. It was a response we didn't expect and no doubt many got lost.

Thank you for your complete report.

Cordially yours,

H. J. Thomas
Manager
